## Boehm System Eb, C, A, Bb

**Student ACL 201**  
 AMATI Bb Clarinet  
 Boehm system student model  
 17 keys, 6 rings, bore 14.6mm (.575"), ABS resin construction, nickel-plated keywork, silver-plated keys (ACL 2015).

**Standard ACL 321**  
 AMATI Bb Clarinet  
 Boehm system standard model  
 17 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood, connected H-C# levers, adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Professional ACL 621V**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 17 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.

**Professional ACL 624V**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 19 keys, 7 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, Eb lever, F#/G# trill key, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.

**Professional ACL 661**  
 AMATI Eb Clarinet  
 Boehm system  
 17 keys, 6 rings, bore 13mm (.512"), all Grenadilla wood, 2 barrels, adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Standard ACL 354**  
 AMATI C Clarinet  
 Boehm system standard model  
 17 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood, 2 barrels, adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Standard ACL 371**  
 AMATI A Clarinet  
 Boehm system standard model  
 17 keys, 6 rings, Bore 14.6mm (.575")  
 All Grenadilla wood, 2 barrels  
 Adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Professional AHCL 800**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 18 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, Eb lever, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.

**Student ACL 202**  
 AMATI Bb Clarinet  
 Boehm system student model  
 18 keys, 6 rings, bore 14.6mm (.575"), ABS resin construction, Eb lever, nickel-plated keywork, silver-plated keys (ACL 2025).

**Standard ACL 322**  
 AMATI Bb Clarinet  
 Boehm system standard model  
 18 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood, Eb lever, connected H-C# levers, adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Professional ACL 622V**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 18 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, Eb lever, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.

**Professional ACL 625V**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 20 keys, 7 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, Eb lever, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.

**Professional ACL 662**  
 AMATI Eb Clarinet  
 Boehm system  
 18 keys, 6 rings, Bore 13mm (.512")  
 All Grenadilla wood  
 Eb lever, 2 barrels  
 Adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Standard ACL 355**  
 AMATI C Clarinet  
 Boehm system standard model  
 18 keys, 6 rings, Bore 14.6mm (.575")  
 All Grenadilla wood  
 Eb lever, 2 barrels  
 Adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Standard ACL 372**  
 AMATI A Clarinet  
 Boehm system standard model  
 18 keys, 6 rings, Bore 14.6mm (.575")  
 All Grenadilla wood, Eb lever, 2 barrels  
 Adjustable thumb rest with ring for neck strap, silver-plated keywork.

**Professional AHCL 800M**  
 AMATI Bb Clarinet  
 Boehm system professional model  
 18 keys, 6 rings, bore 14.6mm (.575"), all Grenadilla wood in nature finish, Eb lever, connected H-C# levers, undercut tone holes, 2 barrels, adjustable thumb rest, leather pads, silver-plated keywork.
